

SOLID WASTE FACILITY PERMIT		1. Facility/Permit Number: 37-AA-0925								
2. Name and Address of Facility: Ramona Materials Recovery Facility and Transfer Station 324 Maple Street Ramona, CA 92065	3. Name and Mailing Address of Operator: JEMCO Equipment Corporation P.O. Box 1187 Ramona, CA, 92065	4. Name and Address of Owner: Ramona Disposal Services 324 Maple Street Ramona, CA, 92065								
5. Specifications: <p>a. Permitted Operation: Materials Recovery and Transfer Station</p> <p>b. Permitted Hours of Operation: 6:00 AM to 10:00 PM Monday – Saturday</p> <p>c. Maximum Permitted Tonnage: 700 tons/day</p> <p>d. Permitted Traffic Volume: 220 total vehicle trips / day</p> <p>e. Key Design Parameters:</p> <table> <tr> <td>Total Permitted Site</td> <td>7.24 Acres</td> </tr> <tr> <td>Permitted Material Recovery, Transfer and Processing</td> <td>5.28 Acres</td> </tr> <tr> <td>Average Annual Loading (tons per year)</td> <td>152,952</td> </tr> <tr> <td>Tipping Floor Area (square feet)</td> <td>9,300</td> </tr> </table> <p><i>Upon significant change in design or operation from that described herein, this permit is subject to revocation or suspension. The attached permit findings and conditions are integral parts of this permit and supersede the conditions of any previously issued solid waste facility permit.</i></p>			Total Permitted Site	7.24 Acres	Permitted Material Recovery, Transfer and Processing	5.28 Acres	Average Annual Loading (tons per year)	152,952	Tipping Floor Area (square feet)	9,300
Total Permitted Site	7.24 Acres									
Permitted Material Recovery, Transfer and Processing	5.28 Acres									
Average Annual Loading (tons per year)	152,952									
Tipping Floor Area (square feet)	9,300									
6. Approval: <hr/> Approving Officer Signature <hr/> JACK MILLER, Director Name/Title		7. Enforcement Agency Name and Address: San Diego County Department of Environmental Health 5500 Overland Drive, Ste 110 San Diego, CA 92123								
8. Received by CalRecycle: <div style="text-align: center;">DEC 06 2010</div>		9. CalRecycle Concurrence Date:								
10. Permit Review Due Date:		11. Permit Issued Date:								

SOLID WASTE FACILITY PERMIT	1. Facility/Permit Number: 37-AA-0925
12. Description of Facility: 324 Maple Street, Ramona, San Diego County, CA; Assessor Parcel Numbers 281-121-21, and as described in the Report of Facility Information / Transfer Processing Report, dated August 2010.	
13. Findings: a) This permit is consistent with standards adopted by the Department of Resource Recycling and Recovery (CalRecycle) [formally known as California Integrated Waste Management Board]. (Public Resources Code, Section 44010.) b) This facility is identified in the Non-Disposal Facility Element (NDFE) of the Countywide Integrated Waste Management Plan (approved by California Integrated Waste Management Board March 2006). (Public Resource Code, Section 50001(a).) c) The Ramona Fire Department has determined that the facility is in conformance with applicable fire standards. (Public Resources Code, Section 44151.) d) The design and operation of the facility is in compliance with the State Minimum Standards for solid waste handling for Transfer/Processing as determined by the LEA, based on a review of the August 2010 Report of Facility Information / Transfer Processing Report and an inspection conducted on October 7, 2010. e) In accordance with the California Environmental Quality Act (CEQA) Guidelines, Section 15096(f), the LEA has reviewed and considered the information regarding the environmental effects of this facility as contained in the Subsequent Mitigated Negative Declaration (SMND), SCH # 2005011002, dated January 2005 and certified by the County of San Diego Planning Commission on March 4, 2005.	
14. Prohibitions: The permittee is prohibited from accepting any liquid waste sludge, non-hazardous waste requiring special handling, designated waste, or hazardous waste, untreated bio-hazardous waste, waste containing more than 50% water, friable and non-friable asbestos, large dead animals or parts thereof, and radioactive waste.	
15. In addition to the terms of this SWFP, the following documents describe the operation of this facility:	
Date	Date
Report of Facility Information / Transfer Processing Report <div style="text-align: right;">August 2010</div>	Notice of Intent WDID 9 37S012619 <div style="text-align: right;">October 1996</div>
Environmental Documents Subsequent Mitigated Negative Declaration (SCH # 2005011002) <div style="text-align: right;">March 2005</div>	Land Use Permit MUP #P96-017W3 <div style="text-align: right;">March 2005</div>
16. LEA Conditions: 1. The operator shall maintain a copy of this permit, Report of Facility Information and State Minimum Standards for Transfer Processing Station at the site at all times. 2. No significant change in design or operation of this facility shall be taken without prior application to and approval by the LEA. 3. Additional information related to compliance with this permit or information concerning the design and operation of this facility shall be furnished to the LEA upon request. 4. The SWFP is subject to review by the LEA and may be suspended, revoked or modified at any time for sufficient cause. 5. Stored recyclables shall not interfere with facility operations or cause a public health nuisance as determined by the LEA. The LEA reserves the right to reduce the maximum storage time of recyclables necessary to protect health or prevent a nuisance. 6. The operator shall maintain, and keep current, records of weight and types of waste received per day and per month. 7. The operator shall maintain records of final disposition of transferred waste and recycled materials. 8. The operator shall maintain, and keep current, records of weight and types of recycled materials.	

SOLID WASTE FACILITY PERMIT	1. Facility/Permit Number: 37-AA-0925
<p>9. The operator shall maintain, and keep current, a record of all vehicles hauling waste to the facility.</p> <p>10. The operator shall maintain a Log of special occurrences and a Log of complaints received.</p> <p>11. The operator shall maintain a record of prohibited wastes discovered by the load check program and the final disposition of these wastes.</p> <p>12. The owner/operator shall ensure the existing dust control systems are operational and adequate at all times. If the existing dust control system (exhaust fans, misting/fogging system) fails to be adequate for the control of dust in the operations of the facility, the LEA may require additional mitigation measures be installed.</p> <p>13. The owner/operator shall ensure the existing odor control systems are operational and adequate at all times. If the existing odor control system (exhaust fans, misting/fogging system) fails to be adequate for the control of odors in the operations of the facility, the LEA may require additional mitigation measures be installed.</p> <p>14. The owner/operator shall ensure that all waste handling activities are conducted within the transfer building.</p> <p>15. Occasional activities related to maintenance and other incidental requirements may be conducted outside of the permitted operating hours.</p>
